Introduced by: Mayor Habeeb-Ullah Muhammad

WHEREAS, the Town Council has authority to approve contracts and procurements pursuant to the Town Charter, Section 33-63, and Town Code, Section 20.4; and

WHEREAS, the Town Charter typically requires that purchases above \$10,000.00 shall be made on written contract and shall be obtained by the advertisement for sealed bids for all such written contracts; and

WHEREAS, the Town Charter further permits the Council by two-thirds vote to waive the competitive bidding requirements of Section 33-63 of the Charter for good cause shown for sole source procurements of unique products and services; however, written findings as to the basis of such waiver shall be placed into the minutes; and

WHEREAS, according to the National Association of State Procurement Officials ("NASPO") a "sole source" procurement can be defined as any contract entered into without a competitive process, based on a justification that only one know source exits or that only one single supplier can fulfill the requirements; and

WHEREAS, Section 20.4 of the Town Ordinance Code states that the Council may exempt the purchase from the competitive selection process when the purchase qualifies as a sole-source procurement as a result of one of the following: (1) one vendor is qualified or eligible or is obviously the most qualified, (ii) the good or service is of such a specialized nature or related to geographic area that only a single source could most satisfactory provide the good or service, (iii) applicable law requires it, or (iv) the grantor requires the sole source procurement; and

WHEREAS, the Town wishes to enter into an agreement with a contractor to install a security system to serve the building at 606 Modoc Lane and has obtained the following proposals or estimates (* indicates SDAT good standing), which are attached hereto as Exhibits A-E:
